Complaint against Crandall Police Department;

Mr. Kim Hartsock,

Dear Sir;

I have looked into the complaint you filed with this agency on former police employees of Crandall Police Department. A complaint of this nature must be filed with the Texas Rangers, or the Texas Attorney General's office in Austin, Texas.

The nature of the complaint and alleged in-appropriate actions are beyond our scope of investigation and authority.

Next on the information provided on the ADA Mark Hasse Capital Murder, the entire faxed documentation along with a written explanation of our phone conversation became part of record into this tragic event within our county.

Further, I spoke with Captain Lucas with the Texas Attorney General's office on this complaint and he is fully aware of the direction for which I am sending you.

Any further issues with Crandall should be directed to the Texas Rangers.
