Re: Kim Hartsock
Our File No. 320939

To All Addressees:

Please be advised that Kivel & Howard LLP has consulted with Kim Hartsock regarding the issues of libel, slander and interference with his business by each of you named above. Mr. Hartsock reports that he had a mandatory duty to report certain financial crimes against the elderly, which he did. He informs me that after he reported these crimes, each of you retaliated against him by engaging in a campaign to damage his reputation in his industry and community, and by interfering with his ability to conduct business.

Mr. Hartsock avers that each of you have engaged in one or more of the following wrongful acts:

- 1) Publishing defamatory remarks about Mr. Hartsock, his copyrights, Logic-Sphere, LLC, U.S. Motor Club, Inc., and Corporate Crime Fighters. These defamatory remarks were published to his clients, employees, law enforcement and others, beginning July, 2011.
- 2) Interfering with his customers and his ability to do business by falsely claiming that Mr. Hartsock is a fraud, his businesses are imaginary, and his intellectual property is nonexistent or worthless; and

- 3) Causing Mr. Hartsock lost sales, loss of business after sales, loss of employees, loss of contracts, lost time from work, and pain and suffering.

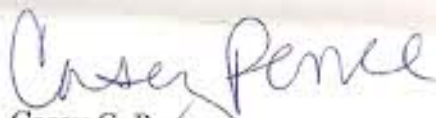

Additionally, Mr. Hartsock reports that some of you have converted his property to your own use. He demands his property be returned.

Demand is hereby made upon each and every one of you to immediately cease and desist from this behavior. Additionally, demand is hereby made upon each and every one of you to:

- 1) Remove any defamatory information you have posted on the internet or elsewhere;
- 2) Print retractions regarding what you have posted to date in any media in which you have posted about Mr. Hartsock, and serve Mr. Hartsock with a copy of each retraction;
- 3) Return all of Mr. Hartsock's property that you have converted for your own use or that you refuse to return to him; and
- 4) Provide him with compensation for the business time he has lost having to deal with your untruthful, slanderous and unprofessional actions against him.

Please respond directly to Mr. Hartsock within fourteen (14) days of the date of this letter at hart@corperimefighters.org.

Sincerely,

Casey C. Pence
Attorney at Law
